GISB

REQUEST FOR CLARIFICATION OR INTERPRETATION

Date: October 29, 1996

Requester Name: Chuck Stodola
Company: Columbia Gas Transmission Corp.
1700 MacCorkle Avenue
Charleston, WV 25314
Phone: 304-357-2498
Fax: 304-357-2304
E-mail: cstodola@columbiaenergy.e-mail.com

GISB Standard Number: 5.3.3

Clarification or Interpretation:

Please describe each of the Bid Evaluation Methods that the pipelines are required to accept. Indicate how each one is used to determine the winning bidder. Include examples that show the calculations used by each method. In the case of Present Value, what is the discount rate that is supposed to be used?

Possible interpretations or clarifications, if known:

Subj: NO SUBJECT
