**3. Description of Proposed Standard or Enhancement:**

ANR requests the addition of a new data element, *Secondary Rights Indicator*, to the following datasets: Offers, Offers download, UPPD, and UPPD notifications. This data element will allow the releasing shipper to indicate which party, the releasing shipper or the replacement shipper, will incur the additional charges if the replacement shipper nominates on a secondary route, when additional charges are applicable.

Data Element Name	Usage	Definition
Secondary Rights Indicator	MA	Allows the releasing shipper to indicate which party, the releasing shipper or the replacement shipper, will incur the additional charges if the replacement shipper nominates on a secondary route, when additional charges are applicable.

**4. Use of Proposed Standard or Enhancement:**

The releasing shipper will indicate who will pay any additional charges due to the replacement shipper nominating on a secondary route. This information is critical to ANR's processing and assessment of Maximum Daily Quantities (MDQs) and rate determination.

**5. Description of Any Tangible or Intangible Benefits to the Use of the Proposed Standard or Enhancement:**

Provides a standardized method of indicating which party, the releasing shipper or replacement shipper, will incur any applicable additional charges when moving gas on a secondary route.

**6. Estimate of Incremental Specific Costs to Implement Proposed Standard or Enhancement.**

None.

**7. Description of Any Specific Legal or Other Considerations:**

None.

**8. If This Proposed Standard or Enhancement Is Not Tested yet, List Trading Partners Willing To Test Standard or Enhancement:**

ANR is willing to undertake testing with any interested party.

**9. If This Proposed Standard or Enhancement Is In Use, Who are the Trading Partners.**

N/A.
